| +32 34003290 | Belgium local |
| 00800 16338966 | China Freephone |
| +49 69 247503443 | Germany local Frankfurt German |
| +33 172253098 | France local |
| +852 30114613 | Hong Kong local |
| +353 144 75663 | Ireland local |
| +39 0236046103 | Italy local |
| +81 357 676025 | Japan local |
| +46 850 334654 | Sweden local |
| +41 44 5807521 | Switzerland local |
| +34 91 1140668 | Spain local |
| +88 62 26568555 | Taiwan local |
| +1 408 9169838 | United States local |
| +44 203 3679216 | United Kingdom local |
| +43 1 9287788 | Austria local |

*Note: International freephone numbers are only accessible to a limited extent from foreign mobile phone networks.

You will be greeted by an operator and put through to the conference after giving your name.
Please make use of the **early dial-in opportunity** (15 minutes before the start of the conference) so that we can start the conference on time.

At the same time as the audio conference we will be showing you an online presentation. To view this, please log in as a participant at <http://eventmanager.meetyoo.de> and enter your first name and last name and the **participant PIN 97695740**. You will see a welcome page until the presentation starts.

A replay (opportunity to listen to the conference recording) will be available to you from 2014/11/20 4:45pm CET to 2014/12/01 8:00am CET. To hear this, please dial the following telephone number and enter the appropriate PIN:

+49 30 868757360 Germany local Berlin English PIN: 608013#

Please make sure your connection data, consisting of the start and end times as well as the complete phone number, can be relayed to us from the conferencing provider before dialing in to the conference call.
